WORKING DOGS FOR VETS RECEIVES HELPER GRANT FROM THE NASHVILLE PREDATORS FOUNDATION

Lawrenceburg, TN – With immense gratitude and unwavering commitment, Working Dogs for Vets is honored to announce its selection as a recipient of the Nashville Predators Foundation's Helper Grant. Rooted in our "No Veteran Left Behind" initiative, this award reaffirms our collective promise to stand beside our nation's heroes, empowering veterans through the transformative partnership with expertly trained working dogs.

The value of this grant resonates far beyond its financial aspect. Since its inception, The Nashville Predators Foundation distributed its largest-ever one-time donation, with Helper Grant distributions totaling \$850,791 during a Grant Check Presentation Ceremony at Bridgestone Arena on May 12. Through the 2025 allocation, 190 Nashville and Middle Tennessee nonprofits received a grant. Along with the Nashville Predators, we invite you to join Working Dogs for Vets—a nonprofit that proudly stands beside our nation's heroes—in our mission to provide hope, healing, and renewed independence to veterans in need.

Receiving this grant on May 12th at Bridgestone Arena marks a significant milestone for both our organization and the community we serve. "This grant is a heartfelt commitment that every veteran's journey towards recovery and well-being is supported," stated our Executive Director. "Our working dogs not only ease physical challenges; they offer vital companionship and rekindle a sense of purpose among those who have selflessly served." Their

presence in the lives of veterans is a touching reminder that compassion and community can make all the difference.

Working Dogs for Vets is driven by a powerful belief: when a community unites to support those who have sacrificed for our nation, every veteran finds the strength to thrive. Our programs are dedicated to matching highly trained working dogs with veterans in need—creating bonds that heal and empower. We welcome community members, volunteers, donors, and partners to stand with us. Your support—whether through donations, advocacy, or volunteer efforts—is instrumental in expanding our reach and ensuring that no veteran is ever left behind.

Join us, alongside the Nashville Predators Foundation, in championing the cause of our veterans. Together, we can forge a path of hope and healing, ensuring that every veteran benefits from the life-changing bond of a working dog.
