

# **Requirements for the No Veteran Left Behind Program.**

Thank you for your interest in Working Dogs For Vets. The Working Dogs For Vets organization is a 501(c)(3) that is more like a family. Our family is made up of a network of volunteers who meet one on one with veterans to help you train your own service dog. We help veterans suffering from P.T.S.D., TBI, Mobility, Stability, Seizures, Diabetes, MST, Hearing or visually impaired, and much more.

## **Requirements for the No Veteran Left Behind Program**

- I am a disabled veteran.
- I am both financially, physically and cognitively capable of providing care for a dog.
- I received a doctor's recommendation for a service dog, and my doctor feels that participation in this program will help me. I am capable of training my own service dog with help.
- I can commit to weekly training sessions for 1 year or possibly more.
- I agree to pay it forward and help others in need of help when I am able.
- I will help raise public awareness
- I printed, signed, and sent the application by mail to Working Dogs For Vets for approval (Note: We will review applications and make sure that our program is right for you). Please be patient. We are working as quickly as possible to help many applicants.
- I have not been convicted of any crime against animals.
- I will get involved and volunteer to help others W.D.F.V. member
