FOR IMMEDIATE RELEASE

Working Dogs For Vets located at 2781 Hwy 43 N. Lawrenceburg TN offers service dogs and service dog training to veterans in need. We are a 501c3 non-profit charity, volunteer based, committed to reducing the veteran suicide rate. Our in house program pairs severely disabled veterans with fully trained service dogs. No Veteran Left Behind Program teaches disabled veterans to train their own service dog with professional one on one training support at little to no cost. W.D.F.V. encourages the almost exclusive use of shelter dogs.
